BULLETIN #1299

No Changes to the Export List in 2014

The California Department of Insurance has made no changes to the Export List for 2014.

CDI held a public hearing in December, as required by statute, at which SLA presented its recommendations based on input from SLA members. SLA received no requests for additions to, or deletions from, the Export List for 2014.

The CDI bulletin and the current Export List are attached to this bulletin.

Sincerely,

Benjamin J. McKay, J.D., M.P.A.
Executive Director
TO: All Surplus Line Brokers, Admitted Insurers, and Other Interested Persons

SUBJECT: Export List

Pursuant to Insurance Code Section 1763.1, the Commissioner may by order declare eligible for placement with a nonadmitted insurer and exempt from all the requirements of Section 1763, except the filing of a confidential written report, any type of insurance coverage or risk for which he finds after a public hearing that there is not a reasonable or adequate market among admitted, insurers.

This year the Department held a public hearing and comment period regarding the annual renewal of the list as required by the statute. No changes were made to the Export List.

The Department reminds you that risks and coverages not appearing on this list may still be exportable but subject to the full documentation of the diligent search being performed with respect to insurance issued to a home state insured as required by Insurance Code Section 1763.

A public hearing will be held annually or more often at the Commissioner’s discretion regarding the attached export list. The Commissioner or his designee shall notify all surplus line brokers of any removal from the list. The contact person is Carol Frair, Senior Staff Counsel, Department of Insurance, 45 Fremont Street, San Francisco, CA 94105, (415) 538-4408.
