Subject: Insurance Organizations Authorized in California 2011

The latest edition of the official publication, Insurance Organizations Authorized by the Insurance Commissioner to Transact Business of Insurance in the State of California during 2011 is now available on Compact Disc (CD). Since your name currently appears on our mailing list requesting an updated copy of this publication, one free copy is enclosed. Information contained on this CD is also available to view at our Web site: www.insurance.ca.gov.

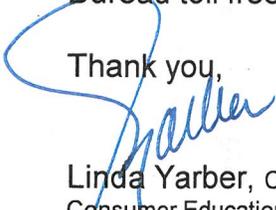

California Department of Insurance (CDI) is working diligently to become paperless to the extent possible as part of its green initiative. CDI will only distribute printed versions of the publication on a very limited basis. This printing change will result in environmental and cost savings while still providing useful information.

If your organization requires multiple copies of the CD, please return the remittance slip form on the back of this letter with a check or money order for \$3.96 for each additional CD requested. A limited amount of hard copies are available for \$ 24.00 per book.

Section 14911 of the government code (added by statute in 1965) requires that our Department correct and verify at least once a year the accuracy of its mailing lists of individuals and organizations who request and receive publications or other printed materials that are sent free of charge. Please complete and return the top section of the form on the back of this sheet if you wish to remain on the mailing list.

If you have any questions or concerns, please telephone our Consumer Education and Outreach Bureau toll free at 1-877- 401-9550.
